## If You're Scared of the Truth, Don't Read This!

A power-packed book dealing with issues youth will face. If you really want to know the truth about what happens in today's sex-saturated culture—this book is a must read. It's an eye opener.

Carl Sommer, educator and former U.S. Marine uses straight talk and solid documentation to expose the many dangers of casual sex and the many benefits of abstinence from sex until marriage. Sommer challenges today's

youth to examine this important topic that has the potential of destroying their lives and preventing them from having a bright future.
